THE CARD YOU HAND THEM

WHY IT GROWS YOUR BUSINESS

- ◆ More 5-star reviews – a check-out gift turns a good visit into a glowing review.
- ◆ Built-in social reach – every branded photo a guest posts tags your business.
- ◆ A booking edge – “a photo session included with every stay” – no rival offers it.
- ◆ Zero work for you – we schedule, shoot, edit and deliver. You just gift it.

HOW IT WORKS

- 1 You gift your guest the branded card – an invitation to a private 15-min shoot.
- 2 They book their session with us by QR / WhatsApp – a shoot just for them.
- 3 Branded photo delivered next day; extend into a full session anytime.
